

Clause #	Clause Text
C1	Excluding loss or damage caused by climatic or atmospheric conditions, or extremes of temperature.
C2	Frozen/Temperature Controlled Goods: Insured as per "all risks" clause, subject however to the following terms and conditions: Shipments of perishable cargo requiring temperature control are insured as per the "all risks" clause of this policy, excluding however loss or damage due to deterioration, decay, or spoilage. Notwithstanding the foregoing, this policy is extended to cover: 1) Loss of or damage to perishable cargo due to deterioration, decay or spoilage when directly caused by improper temperature setting or control by any persons outside the control of the Assured, provided that: a. If the temperature control of the cargo is by means of dry ice, receipts from a temperature recording device, or other evidence that sufficient quantity of dry ice for each part of the intended trip by surface or air conveyances, shall be secured and this Company shall not be liable for loss or damage caused by failure to provide a quantity sufficient for each segment of the trip. b. In the event of transportation by land or inland waterway, and/or connecting conveyances prior to loading or subsequent to discharge, or while at warehouse or terminal or consolidator, it is WARRANTED the carrying conveyance and/or warehouse or terminal or consolidator be equipped for maintaining temperature required for proper preservation of goods. 2) While the shipment is stowed in refrigeration chambers, and/or refrigerated containers of vessels, aircraft, connecting conveyances, or while in warehouses or terminals, this insurance covers loss or damage due to or caused by derangement or breakdown of the refrigerating machinery and/or refrigerating plant and/or power generation equipment and/or loss of power supply. Under no circumstances shall claims be paid unless breakdown or improper temperature has lasted not less than twelve(12) consecutive hours, as evidenced by engineer's or other appropriate temperature log, or by an accurate temperature recording device. It is WARRANTED by the Assured that the insured perishable goods are in good condition and properly cooled, chilled or frozen, as required for the specific cargo, at commencement of transit.
C3	Cutting clause: in the event of any pipe being damaged so as to be reasonably usable if cut to a shorter length, the Company's liability shall be for the proportion of the insured value which the part cut off bears to the length of the complete pipe, plus the costs of cutting and refitting flanges or re-cutting bevels, etc.
C4	Excluding rust, oxidation, discoloration, corrosion, bending, twisting and end damage unless caused by a risk insured against.
C5	Excluding marring, denting, scratching, chipping, rust, oxidation, wear, tear; also excluding mechanical, electrical and/or electromagnetic derangement unless caused by a peril insured against.

C6	Second Hand Replacement Clause: In case of loss or damage covered by this insurance to any part of such machine, the Company shall be liable only for the proportion of the cost of replacement of the parts lost or damaged as the insured value bears to the value of new machinery, plus additional charges for labor and forwarding charges for refitting the new part or parts if incurred; but in no event shall the Company be liable for more than the insured value of the complete machine.
C7	For oversized and/or overweight machinery shipped domestically: excluding loss or damage caused by or attributable to lifting, loading, unloading, or improper stowage or securing of the cargo.
C8	Excluding loss of or damage arising out of or resulting from mold, mildew, moths, vermin, changes in temperature or climatic conditions, inherent vice, delay, infestation of rodents or insects and losses in market value, howsoever caused.
C9	While in transit or otherwise on land, this policy insures against loss and/or damage, irrespective of percentage, caused by fire, smoke, lightning, earthquake, volcanic action, typhoon, hurricane, cyclone, windstorm, landslide, flood, rising waters, sprinkler leakage, collision, upset, overturn, derailment or any other accident to the land conveyance, aircraft damage, falling objects, collapse and/or subsidence of docks, piers, quays, bridges, culverts, and/or other structures.
C10	Excluding lithium batteries
C11	No coverage while under its own power or being towed on its own wheels, except during loading and unloading.
