GET STARTED WITH REDKIK

Reference Guide

ACCOUNT SETUP

STARR

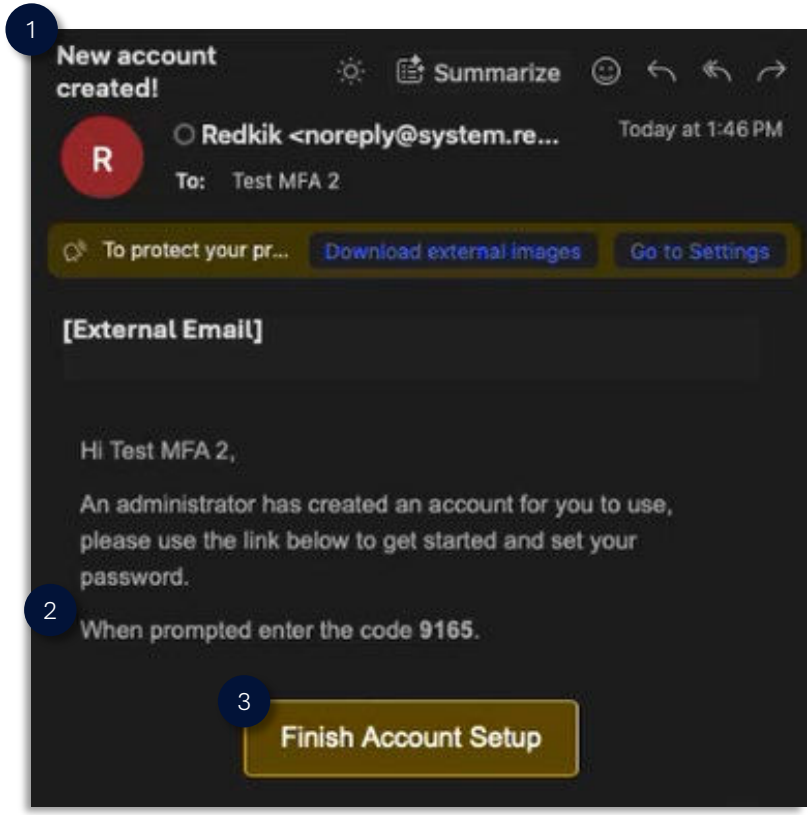

Once your account is created, you will receive a “New account created!” email from Redkik to complete setup.

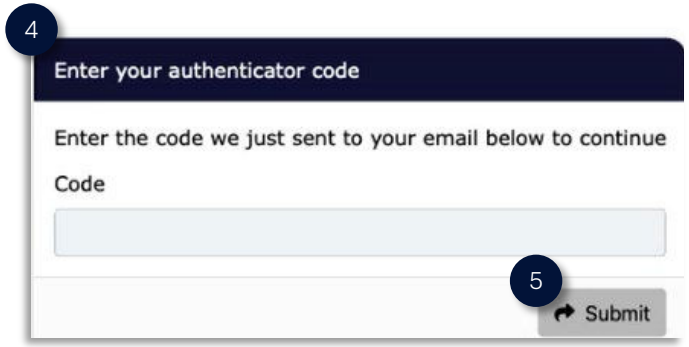

This email is sent from a no-reply address. If you do not see it in your inbox, please check your spam or junk folder.

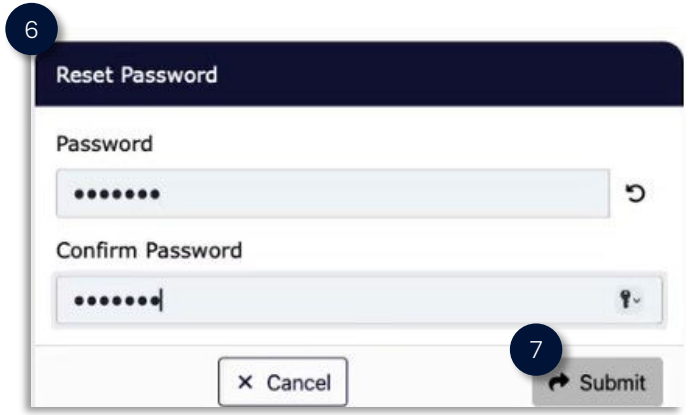

Complete your Redkik account setup:

1. Open the “New account created!” email from Redkik.
2. Copy the authenticator code.
3. Click **Finish Account Setup**.
4. Paste the authenticator code in the **Code** text box.
5. Click **Submit**.
6. Create and confirm your **Password**.
7. Click **Submit**.

   All set! Your account has been successfully created, and you can now sign in with your newly created password.

EMAIL MULTI-FACTOR AUTHENTICATION

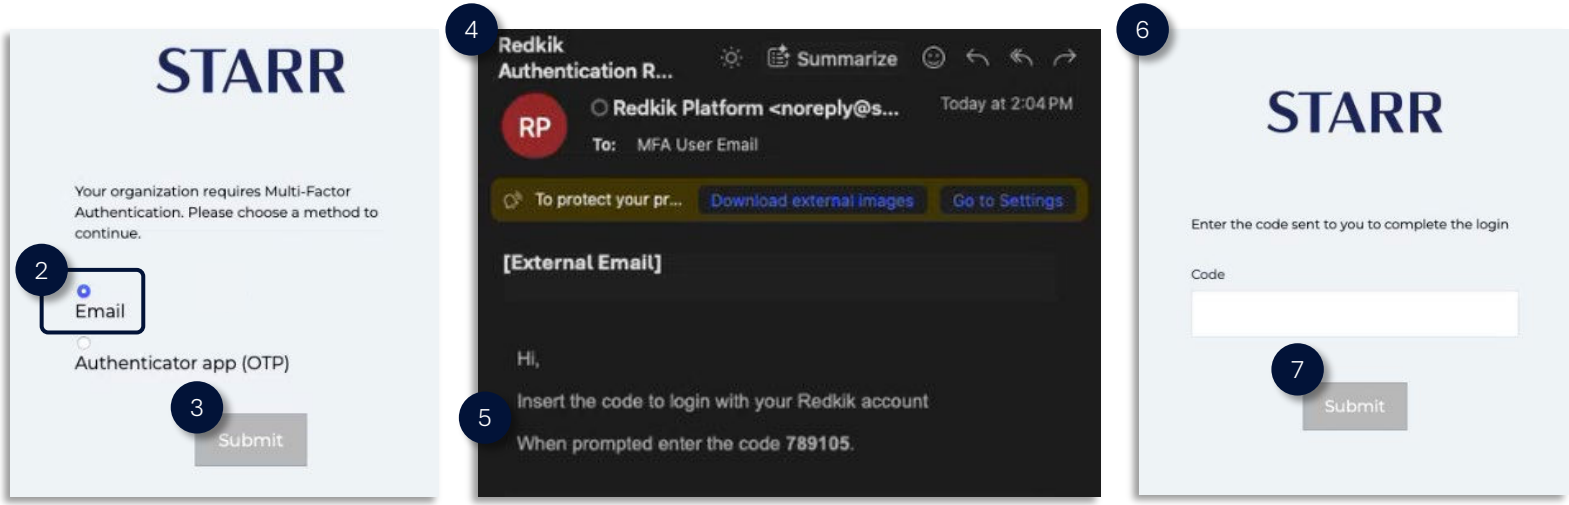

STARR

Access Redkik using email multi-factor authentication:

1. Sign in using your email and password.
   Direct link: starr.sales.redkik.com.
2. Select **Email**.
3. Click **Submit**.
4. Open the “Redkik Authentication Request” email.
5. Copy the authentication code.
6. Paste the authentication code in the **Code** text box.
7. Click **Submit**.

   Welcome to Redkik! You’ve successfully logged in and can now access the platform’s features.
